

Situated in the exotic city of Siem Reap, Sarai Resort & Spa is a luxury boutique, Moroccan-inspired resort. Sarai has been designed to be a destination where travelers from East and West come to pleasantly discover superior services, beautiful and comfortable rooms, great food, exquisite spa, and a tranquil swimming pool.

Rooms & Suites

Sarai Resort & Spa has 48 rooms and suites encased in an elegant, contemporary, residential facade, secluded by a manicured pool view. The rooms are the finest rooms in the Siem Reap city; with bright, inviting rooms, and suites with distinctive attributes such as a private mezzanine floor living room, sun beds, and separate living areas.

Goat Tree Garden Restaurant

Indulge in mouth-watering Southeast Asian cuisine at the Goat Tree Garden Restaurant. Meals and drinks are available to order from inside the exotic restaurant, as well as from the fountain courtyard.

Seasons Spa

Seasons Spa offers a wide range of unique treatments that blend ancient healing techniques and age-old beauty secrets with the curative benefits of natural, local ingredients and quality products.

Swimming Pool

Our multi-functional outdoor salt water swimming pool not only cools down the air of the entire resort, but is also the best place to relax, and enjoy a chilled cocktail. Lay out on our signature floating sunbeds, or rest in the pavilion, as you soak in the tranquility of the refreshing pool and shade.

Fitness Center

The fitness center features the latest cardiovascular and strength equipment. All gymnastic machines come with a platform that enables fitness, watch TV or video tutorials on the workouts.

Facilities

- 48 luxury rooms and suites
- Goat Tree Garden Restaurant
- Seasons Spa
- Fitness Center
- Memento Souvenir Shop
- Garden courtyard
